LETTER OF CONFORMANCE

Dear Emma Zhu,

We are pleased to advise you, based on our audit at Pulse (Suzhou) Wireless Products Co., Ltd., you have received Technical approval on 13 April, 2018 and that you have satisfactorily addressed the management system requirements identified in IATF 16949 with the exception of having the required 12 months performance data for that site.

Per the IATF 16949 "Rules for achieving IATF recognition", you must have 12 months performance data to be issued an IATF 16949 certificate. Therefore, for Pulse (Suzhou) Wireless Products Co., Ltd., we are issuing you this letter of conformance which expires on 12 April, 2019. Once you have the required 12 months of performance data, we will re-evaluate. A complete stage 1 and reduced- time stage 2 Initial Audit will be performed and if the results are deemed satisfactory, an IATF 16949 certificate will be issued at that time.

Sincerely
for DNV GL Business Assurance USA, Inc.

Robert Kozak
Management Representative
